

Committee Note

Subdivision (m). The presumptive time for serving a defendant is reduced from 120 days to 90 days. This change, together with the shortened times for issuing a scheduling order set by amended Rule 16(b)(2), will reduce delay at the beginning of litigation.

Shortening the presumptive time for service will increase the frequency of occasions to extend the time ~~for good cause~~. More time may be needed, for example, when a request to waive service fails, a defendant is difficult to serve, or a marshal is to make service in an in forma pauperis action.

The final sentence is amended to make it clear that the reference to Rule 4 in Rule 71.1(d)(3)(A) does not include Rule 4(m). Dismissal under Rule 4(m) for failure to make timely service would be inconsistent with the limits on dismissal established by Rule 71.1(i)(1)(C).

Shortening the time to serve under Rule 4(m) means that the time of the notice required by Rule 15(c)(1)(C) for relation back is also shortened.

Committee Note

Rule 84 was adopted when the Civil Rules were established in 1938 “to indicate, subject to the provisions of these rules, the simplicity and brevity of statement which the rules contemplate.” The purpose of providing illustrations for the rules, although useful when the rules were adopted, has been fulfilled. Accordingly, recognizing that there are many excellent alternative sources for forms, including the website of the Administrative Office of the United States Courts, the websites of many district courts, and local law libraries that contain many commercially published forms, Rule 84 and the Appendix of Forms are no longer necessary and have been abrogated. The abrogation of Rule 84 does not alter existing pleading standards or otherwise change the requirements of Civil Rule 8.
